

REMARKS

Claims 8 and 15 are present.

The Examiner points out that Claims 8 and 15 need to be placed in independent form and can then be allowed. The remaining claims should formally be cancelled.

Original Claim 8 was dependent upon Claim 1 and has been combined with Claim 1 as indicated by the above amendment to Claim 8. In view of this amendment it is believed that Claim 8 is now in condition for allowance.

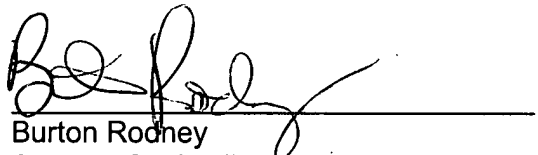

Claim 15 has been made independent and thus is in condition for allowance.

All other claims have been cancelled. However, Applicant reserves the right to file divisional applications directed to non-elected inventions and continuation applications to inventions otherwise not covered by Claims 8 and 15.

In view of the foregoing, it is believed that Claims 8 and 15 are in condition for allowance.

Respectfully submitted,
